

Numeracy HOME LEARNING wall (1)

*These activities will reinforce number sense and things that are being taught and covered in class.
Choose an activity to do with your child and **colour and date the brick when covered.***

Count forwards within the range 1-20 stopping and starting at different numbers	Ask your child to choose an action. Roll a dice. Repeat the action the correct number of times.	Give the number after in the range 1-20 e.g. "What is the number after 7?"	Beat the clock Challenge your child to find 5, 6, 7 etc. items in as short a time as possible. Repeat and see if they can beat their previous time.
	Count a set number of items to help in the house e.g. Ask "Can you get me 4 forks?" "Can you find 7 books?"	Play a dice game e.g. Snakes and Ladders.	Have a scavenger hunt. Make a list of items to find e.g.5 leaves, 6 twigs (outdoors) 4 pens, 3 spoons (indoors).
Sequence numbers in the range 1-10	Count backwards within the range 1-20 stopping and starting at different numbers.	Create your own number book. It could be about one number eg 5 or numbers 1 to 10, 20 etc.	Ask "what number is this?" in the range 1-10. Possible contexts – door numbers, pages in a book
	Read a number story	Do a dot-to-dot puzzle	Number hunt Find examples of numbers in newspapers, magazines, junk mail etc. Cut them out and make a poster
Give the number before in the range 1-10 e.g. "What is the number before 4?"	Sing some number songs e.g. Ten Green Bottles	Count a collection of items (0-10) e.g. Ask "how many teddies are there?"	Roll 2 dice. Work out the total score (do this through a game e.g. snakes and ladders)

*You can take a picture or write a post about what you have done and add it to Seesaw. **Good Luck!***
