

Eastertoun Primary School
Whole School Values Challenges- BILL

Our value challenges for October- December are based around the value teddy 'BILL- FOCUS'. Below are some **optional home learning tasks**. Children who complete any of the tasks from the table below will be rewarded with class and house points. Each week, we will also be looking for a 'Values Superstar' from each class. They will get to go for chocolate and a chinwag with SLT and will be recognised at assembly. Children can use their home learning jotter to record their challenges or can bring in anything they create. If you take a photo of a challenge please upload it to our school **twitter @eastertounps**. We recommend that children try to do **one challenge a week** but can do more or less. Good luck completing your 'BILL' challenges. Make sure you share all completed challenges with your teacher!

<p>Learn how to say different words or phrases in a new language.</p> 	<p>Choose to learn a new maths concept, number bond or times table.</p> 	<p>Increase the amount of time you read for.</p> 	<p>Write a song or poem about our school Value Teddy 'BILL'.</p>
